# About us – our school

- Gimnazija Vič is a grammar school in Ljubljana.
- Currently, there are 766 students (24 classes) and 54 members of teaching staff in our school.
- All students who come to our school have excellent grades.

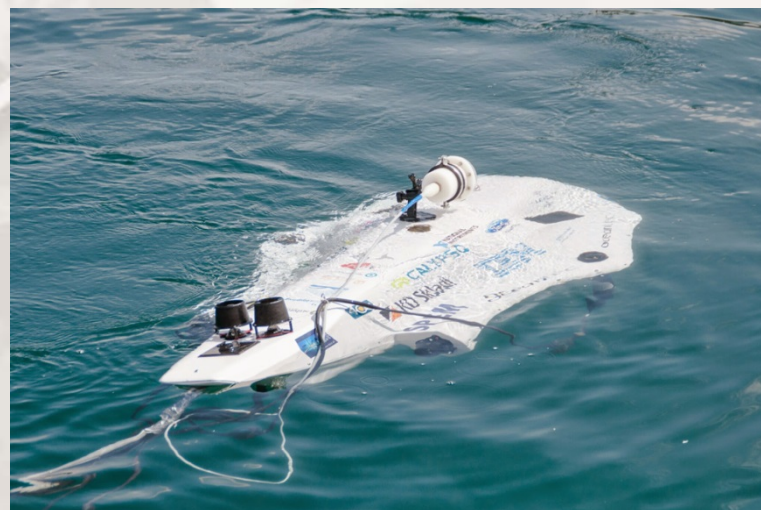

<http://www.gimvic.org/international/>

# Our strong points

- Gimnazija Vič has a strong tradition in having extra-curricular and cross-curricular activities.
- Individualization
- Project work.

# Calypso – research submarine

# Students' research projects

- A constructed wetland with a solar disinfecter.
- Rain water as the source of drinking water.
- The effect of resveratrol on the growth and development of cancer cells.
- Unicellular green algae in the production of biogas.

# Some of our students' international achievements 2014/15

- ISWEEEP, Houston, USA, 2 bronze medals.
- INESPO, Amsterdam, NL, silver medal.
- GENIUS, Oswego, USA, 2 gold medals, 2 silver medals and one bronze medal.
- INEPO, Istanbul Turkey, silver medal.
- Mostratec, Brasil, gold medal.

# Future ideas

- Encouraging creativeness, innovativeness;
- Scientific research and entrepreneurial challenges.
- Intrainstitutional projects (SME, University, various institutions);
- Protection of the intellectual property;
- Europass.

Thank you for your attention!
