... what we Plan.

center duo

The main activities of Centre DUO are:

- connecting of craftsmen
- the safeguarding of Slovenian cultural heritage,
- promotion and development of handicrafts,
- professional development of new forms of education for the professions of handicrafts.

## Centre DUO with craftsmen:

- over 50 craftsmen including in Centre DUO,
- selling exhibition gallery of handicraft products,
- workshops for craftsmen – modern design, business management ...

center duo

## Centre DUO as educational centre:

It is an educational centre for the handicraft heritage of northeastern Slovenia.

Thus, this type of knowledge is passed on to the younger generations (through workshops and research camps).

center duo

## Educational program for NPK (national professional qualification) for handicrafts profession

- ❑ 180-hour training courses for the acquisition of NPK,
- ❑ the acquisition of basic skills
- ❑ leadership of experienced, craftsmen and other professionals
