Who we are?

The European Grouping of Territorial Cooperation TRITIA Ltd. (EGTC TRITIA) was established on February 25, 2013 on the date of its entry into the Register of EGTCs administered by the Ministry of Foreign Affairs of Poland based on its decision N° 1/2013.

The decision to establish EGTC TRITIA was made by the leaders of the four regional governments of Moravian – Silesian Region (CZ), Opole Region (PL), Silesia Region (PL) and Žilina Self – Governing Region (SK) in 2009, who subsequently made steps leading towards its establishment.

The leaders' decision was based on the positive experience of the regions in their mutual cross – border cooperation as well as the impacts of this cooperation on the improvement of wellbeing of the people in cross - border area.
